

Scene Do's

Ultimate Leadership

Use dark overall brightness with strong contrast and deep color tones. This conveys a mood of extremity and leadership.

Inspiring Exploration

Maintain medium-dark brightness with strong contrast and moderate color tones. Use clear light sources, open layouts, and dynamic details to express excitement, vitality, and energy flow.

Essence-Driven

Use slightly brighter lighting with moderate contrast and balanced colors. Clean layouts, refined materials, and pure tones convey focus and authenticity.

Harmonious Coexistence

Apply bright lighting with softer contrast and light color tones. Soft palettes, connecting elements, and diverse spatial layouts evoke emotion around connection, harmony, and peaceful coexistence.
