Usage Guidelines

The logo's visual integrity must be strictly preserved at all times. Only official standardized versions may be used. Do not redraw, modify, or alter the logo in any form.

Use the official version and maintain the logo's full integrity.

Do not use "ANKER" alone as the logo.

Do not apply reduced transparency to the logo.

Do not change the proportional relationship or spacing between the letters.

Do not change the position or structure of the logo's text combination.

Do not distort or rotate the logo.
