

# Corporate Brand (Specialized Social Media Covers)

When creating specialized covers, follow each platform's unique cropping rules and technical limitations. YouTube and Instagram require customized formatting.

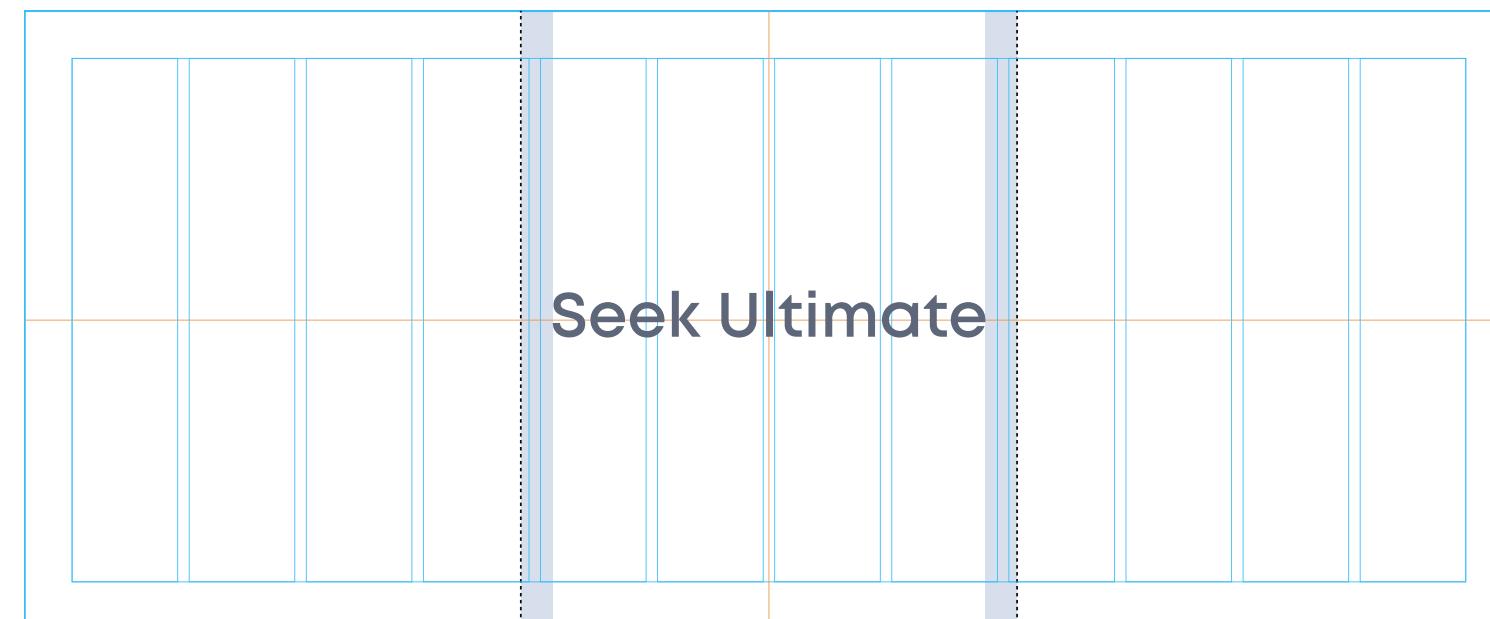

## YouTube

- Cover size: 2560 × 1440 px
- Maximum visible area on desktop and mobile: 2560 × 423 px
- Safe content area: Centered 1546 × 423 px

## Instagram

- Cover size: 3240 × 1346 px
- Composed of three pinned images (1080 × 1346 px each)
- Text guidelines:
  - Avoid cropping
  - Leave adequate margins
